Column 13, line 31, claim 27: Cancel "Fresnel lens and said second Fresnel lens" and substitute

--optical element and said second optical element--.

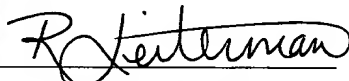

The incorrect phrase "Fresnel lens and said second Fresnel lens" originated when the application was submitted for filing. Since claim 27 depends from claim 26 and claim 26 recites first and second optical elements rather than first and second Fresnel lenses, there is no antecedent basis for the first and second Fresnel lenses recited in claim 27. Clearly, the phrase "optical element" was intended in claim 27 rather than the phrase "Fresnel lens." The inclusion of the phrase "Fresnel lens" was a typographical error.

Please charge Deposit Account No. 502226 the amount of \$100.00 for the Certificate of Correction fee under 37 C.F.R. § 1.20(a).

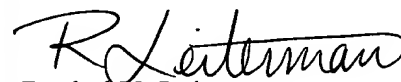

Please charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 502226.

Please direct all inquiries concerning this request to the undersigned attorney at (408) 382-0480, Ext. 204.

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to: Attn: Certificate of Correction Branch Of The Patent Issue Division, Commissioner for Patents, P.
